Leif,

Here's Kavita's summary of Florida's arguments. "Florida's Position" (i.e., not the litigation risk or other commentary) has been vetted by FDEP staff attorneys at the FDEP Deputy General Counsel level. I'm not sure how much John Truitt or Noah Valenstien know about these arguments so we'll have to be careful that we don't represent to Larry et al that this is Florida's official position on these issues.

Thanks,

Matt

Hi Matt,

Please see attached. I put this together mainly to keep a cheat sheet of the issues so that we can have all arguments handy for briefings. See what you think and feel free to add anything I may have missed or correct anything that seems incorrect. Thanks!
